[Ref. 26,934.]

AT THE GOVERNMENT HOUSE AT OTTAWA

Monday, the 3rd day of August, 1908.

PRESENT:

HIS EXCELLENCY THE GOVERNOR-GENERAL IN COUNCIL.

WHEREAS the licences granted for timber berths under the timber regulations provide that the licence shall be subject to the right of the Crown to deal, in accordance with the provisions of the Dominion Lands Act and the regulations made under it by the Governor-General in Council, with any and all coal, stone and other minerals found within the limits of the berth licensed, and to grant the right to enter upon the berth and take possession of lands for mining purposes;

And whereas representations have been made by the holders of timber licences that the granting of such rights may, if not carefully safeguarded, endanger the timber on the berth by fire,—

Therefore His Excellency the Governor-General in Council is pleased to order, and it is hereby ordered, that any permit or lease granted under the regulations relating to mining which affects lands within the limits of a timber berth be subject to the following conditions:—

If it is necessary to burn such debris in order to so dispose of it the lessee shall select a time when there is least danger of the spread of fire, shall carefully gather such debris into heaps, shall thoroughly clear and prepare as a fire guard, either by saturating it with water, breaking up the surface thereof, or other effective means, a strip at least twenty feet in width around each heap, and shall, during the whole period of the continuance of such fire, cause it to be guarded by three adult persons provided with proper appliances for extinguishing fire:

(3.) That he shall clear and shall at all times keep clear of inflammable material, a space of at least sixty feet in width surrounding his works and operations:

(4.) That any engine operated by the power of steam used by him in connection with his works or operations shall be fitted with efficient spark arresters which shall at all times be kept in a good state of repair:

(5.) That he will ensure that the provisions of such Acts for the protection of forests from fire as are in force in the district and the conditions of his lease or permit in relation to the prevention of fires shall be read over and explained to all the men employed by him in connection with his works or operations within the limits of the timber berth, and that he will be responsible for any breach of the said provisions or conditions committed by any of his employees as if such breach had been committed by himself, unless he establishes that the provisions of this clause have been complied with, and that such breach was committed without his knowledge and contrary to his instructions:

(6.) That for the due observance of the conditions mentioned, the lessee or permittee shall be bound in such sum as may be fixed by the Minister of the Interior, which sum shall be payable to the said Minister of the Interior in case of any breach of such conditions being committed by him.

RODOLPHE BOUDREAU,

(1.) (2.) That he will do no unnecessary damage to timber and that where any trees are cut by him he will carefully clear the ground of all tops and branches and other debris of such cutting, and will so dispose of them as to prevent danger from fire. If it is necessary to burn such debris in order to so dispose of it the lessee shall select a time when there is least danger of the spread of fire, shall carefully gather such debris into heaps, shall thoroughly clear and prepare as a fire guard, either by saturating it with water, breaking up the surface thereof or other effective means, a strip of at least twenty feet in width around each heap, and shall during the whole period of the continuance of such fire, cause it to be guarded by three adult persons provided with proper appliances for extinguishing fire.

(3.) That he shall clear and shall at all times keep clear of inflammable material a space of at least sixty feet in width surrounding his works and operations.

(4.) That any engine operated by the power of steam used by him in connection with his works or operations shall be fitted with efficient spark

arresters which shall at all times be kept in a good state of repair.

(5.) That he will ensure that the provisions of such Acts for the protection of forests from fires as are in force in the district and the conditions of his lease or permit in relation to the prevention of fires shall be read over and explained to all the men employed by him in connection with his works or operations within the limits of the timber berth and that he will be responsible for any breach of the said provisions or conditions committed by any of his employees as if such breach had been committed by himself, unless he establishes that the provisions of this clause have been complied with and that such breach was committed without his knowledge and contrary to his instructions.

(6.) That for the due observance of the conditions mentioned the lessee or permittee shall be bound in such sum as may be fixed by the Minister of the Interior, which sum shall be payable to the said Minister of the Interior in case of any breach of such conditions being committed by him.

RULE 59.

ALL APPLICATIONS for Private Bills, properly the subject of legislation by the Legislative Assembly of British Columbia, within the purview of the "British North America Act, 1867," whether for the erection of a Bridge, the making of a Railway, Tramway, Turnpike Road, or Telegraph or Telephone Line; the construction or improvement of a Harbour, Canal, Lock, Dam, Slide, or other like work; the granting of a right of Ferry; the incorporation of any particular trade or calling, or of any Joint Stock Company; or otherwise for granting to any individual or individuals any exclusive or peculiar rights or privileges whatever, or for doing any matter or thing which in its operation would affect the rights or property of other parties, or relate to any particular class of the community, or for making any amendment of a like nature to any former Act, —shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such notice to be published as follows:—

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House, to be filed amongst the records of the Committee on Standing Orders.

57. No Petition for any Private Bill shall be received by the House after the first ten days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any Report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no Motion for the suspension or modification of this Rule shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with consideration of Private Bills, who shall report thereon to the House. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, *together with the notices published.* At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. 61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

65. All Private Bills shall be prepared by the parties applying for the same, and printed in Small Pica type, twenty-six ems by fifty ems, on good paper, in imperial octavo form, each page when folded measuring 10¾ inches by 7½ inches. There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Two hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.

By 65B all Bills to incorporate or amend Bills incorporating railway companies are to be drawn in accordance with the Model Bill.

The provisions contained in any Bill which are not in accord with the Model Bill shall be inserted between brackets.

Any exceptional provisions that it may be proposed to insert in any such Bill shall be clearly specified in the notice of application for the same.
